## Stelmine to launch its exploration campaign

-  
**Quebec, July 15 2020- Stelmine Canada (« Stelmine ») (STH-TSXV)** is pleased to announce the start of an extensive exploration campaign in northern Quebec. Stelmine will first investigate a new zone having a strong potential for gold mineralization, followed by work on three gold-bearing properties owned (100%) by the Company: Mercator, Joubert and Trieste. The detailed results of these campaigns will be presented in subsequent press releases.

### About Stelmine

Stelmine is a junior mining exploration company which concentrates its activities in the Province of Québec. Stelmine holds 843 claims spanning 438 km<sup>2</sup> on the eastern part of the Opinaca metasedimentary basin, which contains zones with a high potential for gold deposit discovery in geological contexts similar to the one leading to discovery of the Eleonore Mine. Its capital stock consists of 37,324,046 issued and outstanding shares.

### Forward-looking statements

Certain information contained herein may constitute “forward-looking information” under Canadian securities legislation. Generally, forward-looking information can be identified by the use of forward-looking terminology such as, “will be”, “expected” or variations of such words and phrases or statements that certain actions, events or results “will” occur. Forward-looking statements regarding the listing and trading of the Corporation’s common shares on the TSX and the availability of a listing statement on the TSX’s website and on SEDAR are based on the Company’s estimates and are subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Corporation to be materially different from those expressed or implied by such forward-looking statements or forward-looking information. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements and forward-looking information. The Corporation will not update any forward-looking statements or forward-looking information that are incorporated by reference herein, except as required by applicable securities laws.
